VLADIMIR GARKUSHENKO

BIM Manager I ML Engineer

garkushenkovladimir@gmail.com ▪ + 995 597 976 270 ▪ Tbilisi, Georgia ▪ **LinkedIn**

EXPERIENCE

BIM ML ENGINEER - SVOD **01/2026 - Present**

- Developed workflows for BIM data extraction and analysis from Revit projects.
- Extracted and organized Revit project data into unified analytical datasets.
- Prepared datasets and performed feature engineering for ML analysis.
- Built and refined ML-based analytical logic, improving prediction accuracy from 55% to 80%.
- Automated reporting and analytical outputs, reducing analysis time by 10x to 100x.

BIM MANAGER - BAUMER **06/2025 - 01/2026**

- Implemented ISO 19650-aligned BIM framework and information management processes.
- Developed BIM Standards, BEP, and internal delivery guidelines.
- Established CDE and server-side BIM infrastructure.
- Introduced automation using Dynamo and Revit API (C#).
- Led BIM training and technical enablement for engineering teams.
- Managed BIM-related client coordination and data exchange via ACC.

BIM MANAGER - RPA HEIGHT **06/2022 - 06/2025**

- Coordinated BIM delivery for multidisciplinary teams and enforced BIM standards.
- Implemented QA/QC processes using Revit and Navisworks.
- Contributed to EIR and BEP development for large-scale projects.
- Established internal BIM workflows and information exchange.
- Developed Dynamo-based automation for BIM processes.
- Delivered internal BIM training programs.

BIM COORDINATOR - ADAMANT **09/2021 - 06/2022**

- Coordinated architectural, structural, and MEP BIM models.
- Performed clash detection using Navisworks.
- Developed Revit families and project templates.
- Conducted QA/QC of BIM processes.
- Provided technical support for project teams.

SELECTED ACHIEVEMENTS

- Led enterprise-level BIM implementation across 5 organizations.
- Designed and optimized BIM delivery workflows for 500+ engineers.
- Developed and maintained large-scale Revit family libraries and Dynamo automation frameworks.
- Contributed to 60+ international projects across civil, energy, and infrastructure sectors.
- Involved in complex infrastructure projects with budgets exceeding $1B.

EDUCATION

Peter the Great St. Petersburg Polytechnic University **09/2015 - 07/2019**

Bachelor of Science in Civil Engineering

SKILLS

BIM & Standards: ISO 19650, BEP, EIR, Information Management, BIM Governance, CDE workflows
Automation: Dynamo, Revit API (C#), Python (NumPy, Pandas, PyTorch), GitHub, Visual Studio Code
Software: Revit, Navisworks, AutoCAD, MagiCAD, AutoCAD Civil 3D, Blender + Bonsai (IFC), FARO, Power BI

LANGUAGES

English - Upper-Intermediate (B2) | Russian - Native | French - Beginner
